

*Semester 2 HASS Menu 2017 Year 2*

<i>Geography</i>	
<i>Learning intentions</i>	<i>Learning Experiences</i>
<i>To understand how Aboriginal and Torres Strait Islander People connect to country and place.</i>	<i>Research with a partner Indigenous names for places around Australia.</i>
<i>To identify the connections of people in Australia to people in other places across the world.</i>	<i>Identify key Australian sites that are considered spiritually sacred by Indigenous Australians.</i>
<i>To understand the geographical divisions</i>	<i>Where are you from? What is your culture? How do you cultures around the world differ? Do you have a connection to a certain part of the world? Why? Complete an 'All About Me'</i>
	<i>Use a map to locate and represent Australia in relation to the rest of the world. What other places do you know?</i>

*Connected curriculum year level questions*

- How are people and places connected?*
- What natural resources are important to Australia and different parts of the world?*
- How do we use the Earth's resources?*
- How do people use water?*
- Where is the source of the water you use and how is it transported to you?*
- How can people use water responsibly?*
- Where is Australia in relation to the rest of the world?*
